## Instruction & Painting Tips

**Don't Miss!** Click on this **black box** to view the INSTRUCTIONS for building Kami kit.

We have had a lot of illegal knock-offs of our kits sold in foreign countries. Remember, Azimuth Design **only** sells directly to the customer, not in stores. If your kit does not include the **Certificate of Authenticity** below, with the **Raised Seal and personally-inked signature of Mike James**, you do not own a Mike James original piece of art. It takes a lot of time, skill and money to bring you these precious girls. Please support creators, not thieves. Contact us if you suspect illegal activity, or if you see a Mike James kit or image being used for profit.
